OFFICE OF

Superintendent of

U. S. Mint Plac

12/17th 1891.

Dear Sir

The deposit com & Mr Hunt
put it in for Gold coin as soon as could
not get fine silver Bars for gold deposit Dep
pos adams express co send by a silver bar
we did not find any platina but it is not
desirable to have platina in deposits because
allow any thing for it is all loss. If the deposi-
wants it he should take it out before he sends. If
there is any much in the deposit we can compell
to return the deposit. It makes it impossible to
allow the gold

Very Respectfull

Dear Sir

The deposit coins & Mr. Hurt put it in for gold coin not of course could not give him silver bars for gold deposit I suppose Adams Express Co. could by a silver bar eve did not find any platina but it is not desirable to have platina in deposits & cannot allow any thing for it is all lost. If the depositor wants it he should take it out before he sends them is very much in the depositor we are compelled to return the deposits. It makes it impossible to assay the gold.
